Dorothy was.....Dorothy. She kept all of in tow, teased us, got mad at us, laughed at us, and always loved to visit. I remember lots of good times around her, and a few not so good. lol One in particular was when she would always go Christmas shopping and would always bring in the presents for Sherry to wrap. Her house must have been like Santa's workshop on Christmas morn. She was a very giving woman. I have sat on the bench in front of the old Drug Store and in front of Verna's Home Cookin' many a time. Gossip Gossip Gossip. We knew every one that went by, had a new girl friend, a new car or truck, who was sneaking around, I won't mention names, or we found out. She will be missed by many and is loved by all. RIP Dot. Verna
