You (and Jim)were always do nice to me. She loved to visit with people and tell how proud she was of her family. One of her greatest accomplishments in her life , you kids (grandkids) gave her more joy to help live a long life to see you grow.. Just keep all those great memories in your heart of Grandma Dorothy..

May you have comfort that she has joined Jim and all her family members ,talking of all that they have missed with you kids!!

“ We met Dorothy thru her daughter, Nancy at Cracker Barrel in Lincoln, Illinois. She came to find out what type of people Nancy was involved with in Texas. Of course, she was aware of us since Dorothy had lived in Texas. Nancy and Dorothy are alike in most ways. That's scary!!!!!!?
