“ *Dot was one of the most caring individuals I've ever met. She and Carl were my surrogate Grandparents growing up while working on their farm. These two people helped shape me as a person and taught me many life lessons as young boy. Dot please say hi to Carl for me and may God bless you and the entire Boehm family.*

“ *I really will miss Aunt Dot. She was only a few people in your life that you could say that made you so happy about life. No matter how bad, you always felt better after seeing her. She was good medicine. It felt like getting to see two great people when seeing her(her sister, my Grandma Hazel and her).*

“ *What a lovely picture of Aunt Dot. It reflects the person she was - someone who shared her love and talents with friends and family. You will all be in my prayers as you remember your time with her.*
