“ Dwight was always a great guy. Ed Kolves, Alice's dad, worked on my dad's Farm over thirty years, and I knew Dwight when he and Alice were still dating all those years ago. Then I worked with Dwight at Havana Power Station in the early 90s. A great guy and a wonderful family man.

“ I have many fond memories of Dwight, we worked together at Main Market when I was in high school. He was a dedicated father and enjoyed watching sports. He will be missed by many!
