“ *Mark, Anna Kay and family,
You are all in my thoughts and prayers. Edna was such a wonderful lady and great neighbor and friend. I can not begin to count the hours, even days and wonderful memories that came from spending time at Bud and Edna's house and farm. Living such a short bike ride away as a kid that when I was not home you could find me at their house or doing something with the Herrmanns. Edna would help take turns with my parents taking Mark and I and brother Dave to many baseball and basketball practices and games while in grade school. She always made me feel welcome in their home. I can still picture her sitting in that corner chair doing her crosswords. Anybody who had the pleasure of knowing Edna were truly blessed and better for it. Take comfort in all those wonderful memories of such a special lady.*
