“ *Remembering that Eldon was in my class at Havana High. My parents moved to Havana in 1957 from a farm in Fulton County. Although I had been to Havana with my parents shopping; still I was very much a "country bumpkin" and did not know that many people. Most everyone was really very welcoming. Although many years have passed I still remember them like it was yesterday. So many of the class I graduated with here in Havana have died. It sounds like Eldon had a rich and rewarding life. I salute that.*

Sincerely,

Marilou Carolyn (Ortman) (Ray) Gaw
