“ My mom was a NO BS'r. She told you how it is, no filter. I look at my life and think...oh God, I turned into my mother!! I wouldn't change it for the world. She was smart, challenging, annoying (especially in my teen years) and above all, she made me think about what I should have in life. Dad, you are the strongest man I have ever known. I want you to know im here for you. If i ever lose you...and now it's become real, I want happiness and good heath for you. I love you Papa. With ALL THE LOVE I HAVE...I love you dad.

“ So sorry for you and your family, but know she is in a better place. Got to know her as a family member, and having Thanksgiving and Christmas gatherings at U. John and A. Martha's house. Also getting to work with you at your funeral home for good many years. It was good working for you. And thank for asking me to be Honorary Pall Bearer. Will be thinking of you and the family. “ I enjoyed Lana so much as a neighbor here in Mason City. I really hated when the family moved to Manito. She was my great partner in crime...what I didn't think up SHE did. So fun and funny, smart, talented and truthful. There'll never be another Lana. Loved her 💕😭
