“ Sorry for your loss. From all the great things I had heard said from Terry, Diana, and their children Jeremy, Mandy, Missy and Mathew she must have been a tremendous lady. I only had the pleasure of meeting her a few times but she always was very nice and polite to me.

“ My son Robbie spent the first five years of his life with Betty and Gene while I worked and many days when I would go to get him he would cry and not want to leave. He thought all the kids were his brothers and sisters..and they treated him as one of their own. Some of things he did there would make me wonder...He leaned to do so many things --ring a chickens neck, hatch baby ducks in the house, feel and care for many many animals..He learned lesson there he would never have had anywhere else and for this I am so grateful to the whole family because when your kids stayed with Betty, Gene and the family they became family...She was a wonderful lady, and will be missed by many..My deepest sympathy to all....Jo Braden

*She was always my 2nd mom to me n my daughter. She taught us many things in life, How to cook, Dyi projects n learning to stand up for what you think is right. My grandma loved anyone n everyone. I miss her calls, just to chat cause she was bored, or our tea breaks together. God picked a perfect angel n that I am happy to call my grandma*
