“ *She was a devoted member of Salt Creek Prairie Chapter Daughters of the American Revolution and loved her heritage. She was a great researcher and visited probably all the graves of ancestors she could find in USA. The professional photo of her standing in the tall Illinois prairie grass as a farmer’s wife with that wide brim straw hat and long dress that appeared in a national D.A.R. magazine is now a beautiful keepsake of her. Sincerely loved and greatly missed, condolence goes out to her family.*

“ *Elsie was my junior high Sunday School teacher with our class in the kitchen at the First Baptist Church. She also worked several years at the school cafeteria feeding lots of hungry students. Cargill was my first boss detasseling corn and I really appreciated how they both impacted my life.*

“ I so loved my aunt Elsie. I am so glad I got down to see her a few months ago and got this picture with her. I remember going out to her and uncle Cargill's house in the country when I was a little girl. Such sweet memories that I will keep close in my heart forever. Much love and prayers Monica, Bobby Gene, and Mark.
