“ *To the Schoonover family:
It has often been said that "the death of our own child is the most difficult to endure." I'm a minister and extend my condolence. In the bible at John 11:25 Jesus spoke of himself being the resurrection, and the day would come when the dead would return to life, which will include children. So even though this is a very stressful time remember Jesus promise. And pray for Gods Kingdom to Come.*
