“ *I will definitely miss Erma. I will also miss seeing her son and watching that amazing bond they had and his dedication to his mother. You sir, are what every mother hopes their children will be. He bought her anything and everything to make her comfortable, celebrated her life with her and showed her love and dedication every time you came here. I'm honored that I was able to be a part of taking care of her and watching the love you two had for each other!*

“ *So sorry to hear of Erma's passing, but so glad she is now home with so many of her friends and family. Those smiling eyes..... I remember them well... Mr Rogers said to a generation of children.... "Look for the helpers" and with those eyes and her gentle way, you knew she was one of those. I pray for hope and help for her friends and family during this difficult time of grieving. May God give you peace and speak His words of love and comfort over you all.*
