“ I didn't know Eva very well, but her husband delivered paint to my Dad's store and visited. They had a lot of good family. I went to school with Danny and he was always nice and had a great sense of humor. Marla is one of the nicest, sweetest women I know. Blessings for all the family

“ Aunt Eva was my Mom Beulah's (Boots) younger sister. My parents, Boots and Bub were very close to Uncle Jack and Aunt Eva. I remember big meals and homemade ice cream. After the meal everyone would gather on the front porch with music being played and everyone singing. It is comforting to know they are all together again in Heaven and reuniting with all those who had gone on before them.

“ I spent quite a bit of time with Aunt Eva during the summers of my junior high through high school years. I went over to Havana to spend time with Grandma and Grandpa, and Grandma and I would end up at Aunt Eva's house. She was always sweet to me. Sometimes we'd go shopping at IGA or the Dollar Store. And sometimes Aunt Marilyn was with us, too. Good memories! Once in a while we'd go to Pekin or Manito, too. I always enjoyed spending time with Aunt Eva. Wish I had been able to see her more often in these last few years Rest In Peace, sweet lady, until we meet again.

“ *Eva is my mother, "Boots" younger sister. They were each other's best friend. My sisters and I adored her and will miss her greatly. I can still hear the two of them singing in the car. She was there to help us with Mom when she had brain surgery, just like my Mom was there to help her in times of need. It's a legacy of love.*
