“ *We called her Grandma Fern. She loved everyone. We could always expect a hug from her. I haven't seen her for a very long time. I know she will be missed. I know she is at peace with her Heavenly Father. She was an amazing godly example for all of us. From the Hill family.*

“ I am glad I got to see you the last month when our group played music at the nursing home.

*I know I was always the family brat but you my dear cousin always found a way to forgive me. I'll never forget that on Thanksgivings for as far back as I can remember you, Johnny and all the kids drove several hours to our house for Thanksgiving. It made our holiday special to have family there. I know Mom was grateful.*

*You will be missed but I hope you'll be there to greet me on the other side of Jordan just like you were there for me when I left for the Air Force in 1966.*

*God bless the family you've left for a while with peace, comfort and good memories.*

“ My dear Aunt Fern...Nothing but the fondest memories of such a Beautiful, Wonderful, Lady. She and Uncle Johnny wrapped my Mother, Father, Sister and Myself in Love from the time I can remember. We spent many weekend's and hours at their house as I grew-up and I love the whole family so much. She always made sure I had a huge hug and kiss each time we were together. I know she is in Heaven with all of Her Angel's including my Mom & Dad, Moam & Nanny, Uncle Johnny and John and the rest who have gone before her that I miss so much. She was a true Lady, Christian, Mother, Grandmother and Friend to everyone. I will always cherish my time with you, Aunt Fern. Love, Jeff
