“ *I'm sorry to hear of his passing. You all have my condolences. He always treated me good. I always did look up to him. He was a good uncle to me even though I didn't get much time around him. May he rest in peace. As always, I will continue to miss you as I have always done. Love you, Uncle Finis* 🌸

“ *Finis and Sandy have been special friends for 40 years. Finis was always helpful with my work and showing me around Duck Island. I have many fond memories of spending time with Sandy and Finis there. It was the first duck club that my son visited at the age of 2.*

Finis was always jovial, pleasant and insightful. I appreciated his sharing of knowledge and insights with me. He was a true friend. We enjoy the coffee table and end table that he made especially for us out of red oak. They are beautiful and we will pass them along to our kids someday. I enjoyed seeing his woodshop where he spent so many productive hours.

I will always treasure his smile. It was priceless.

“ I am so sorry Kevin and Kenny. I loved your dad so much. He was always so sweet to me. I have great memories like you do going out on the river and being on the island. I worked for him the first year and did he spoil me. Now mom was another story. She used to come and exam the glasses to make sure there were no smudges after I cleaned them. Lots, and lots of great memories that I will always treasure. Hope to see you soon. Love, Chrissy
