“ *I remember that DeeDee had a super fast pitch— he didn't hear my brother say hold up to tie his cleat— the ball was thrown and Eric was unconscious— headed to Havana Hospital now— scary at the time —a good laugh later— he was a great guy he is the only guy., that ever asked my dad for permission to date/go out with me— though I got in trouble from dad— we did sneak around to see each other for a while — he always smiled— Kelli Stillman*
