“ *What great times we had growing up with Frieda and her brothers and sisters! Uncle JW and Aunt Betty and all their kids were lots of fun to be with. Although I remember Frieda as the shy one, she enjoyed our times at New Salem State Park on the weekends when we would gather for cook outs and lots of games. She always had a smile on her face and never had a bad word for anybody. Cousins are special. They knew us when we were young and remember us in that innocent age with our own parents and siblings.*

Our prayers are with all of the family as they mourn her loss but rejoice in her celebrating in Heaven. Love, Wally and Wanda Snedeker
