“ *Garnet was so much a part of my life as a young person. Mary Lynn and I were best friends and I spent a great deal of time at her home. She became almost a second Mom to me. To this day Myrt is one of my closest friends. I have known Ken & Gary & Trish for as long as I can remember. Love to all of you from Norm & Judy (Woiwode) Lacer.*

“ *My heart goes out to Mary, Gary and families- may you find comfort in knowing Garnett is now in paradise with Paul. I had the pleasure of caring for both Paul and Garnett and can still remember the love the two shared for each other and how they always spoke of their children with great pride . Thank you for allowing us at HMC to enjoy their love , faith in GOD, and kind spirits . Prayers - Jan Hickle*

“ *Garnet was a very special lady - she always had a smile and a kind word to say. I met her and her husband, Paul, many years ago when they attended the Methodist Church in Green Valley. As I grew older, I became a Gospel soloist and they were some of my greatest "fans". They never failed to comment on my soprano voice or the choice of my song. They always referred to me as "the song bird of Green Valley" and it never failed to make me smile. While as residents at the Hopedale Commons, I remember both of them joining the worship services on Sunday afternoons and I would visit with them after the service was over whenever I would be there participating in the service. It was sad to watch Garnet's health decline -- she lived a long, and faithful life for her loving Lord. There is no doubt in my mind that she is now enjoying the splendors of Heaven and that one day, when God calls me home, I will see her again. I praise God for that. My prayers and sympathy are extended to all of her family and friends who will grieve the earthly loss of this dear woman. May God give you HIS peace and HIS comfort during this time of grief. With love, Martha Dunnam - Green Valley, IL*
