We watched the video tribute and enjoyed seeing pictures of Gary's life and his wonderful family. The tribute caught the best of Gary and was so him. He lived his family and friends and was loved by all that knew him. He will be greatly missed.

I am sorry for the Bahl family, when I was a kid I use to drive my Dad to get a haircut from Gary. My dad worked for Hodgsons sawmill for many years. His name was Earl (Nate) Dollins. I have never ever heard a bad word spoken about Gary, it was always kind and loving words. Many people thought a great deal of Gary.

“ *I met Gary when he started barbering in Havana and went to him for most if not all of the 46 years he cut hair—he was a good guy. Back in the early '70s, our Explorer scout troop was in need of a leader ... after a little arm twisting, he took us on and was much appreciated. When I worked for the Illinois Natural History Survey, I enjoyed talking with Gary about our projects and picking his brain about the river. More recently at Emiquon, in addition to him removing nearly 200 thousand pounds of carp, he's been a great resource for some of our research and planning. He was at Emiquon doing one of the things he loved the day before he passed – I should be so lucky. He will be missed by many. Condolences to Diane and his family and friends. Doug Blodgett*

“ We are heartbroken to hear about Gary’s passing. I can’t recall a day when we didn’t wave to him as he drove past our beach house. Sending our heartfelt condolences to you, Diane, and to the entire family. Gary made a lasting impact on so many lives in Havana through his haircuts and love of fishing and the outdoors, and his memory will forever remain.

“ I am sorry to hear of the passing of Gary, sending my condolences to all of his family. When I was growing up on Quiver Beach, I stayed at the Bahl's house many nights. My dad frequent his barber shop like so many in Havana. All you had to do is drive by and say yep, Gary is working. I know he will be missed by so many and so hope memories of your dad will help ahead when you miss him so much, that it aches. Just remember all those wonderful memories you all created together.
