“ Ruth and family, Melda and I extend our deepest sympathies to all of you. I enjoyed my visits with Gary whether it was in the office or at Helen's house. When our children were small, he came to the house in December as Santa Claus. The kids were thrilled but asked why Santa drove away in a car rather than with his sleigh and reindeer. I offered an acceptable excuse that they accepted. As you know, he was a good man and I can still hear his voice. I pray for the repose of his soul and I am keeping all of you in prayer as well.

Dear Ruth and Family, I was deeply saddened to hear of Gary's passing, he was truly one of the good guys. Though we were not in touch so much after high school I was really pleased that he and I and you had reconnected in a small way in FaceBook. Gary was always upbeat and positive and I enjoyed some anecdotes from Gary about my uncle (Paul West) and Laesch Dairy. I know Gary will be sorely missed by all and especially you. Your love for each other was evident when I would see you together at class reunions. My thoughts and prayers are with you and hope that you will, in time, find consolation in knowing that he is at peace in the arms of our Lord.

Sincerely, Jerry Conroy
