“ I remember lots of great times shared with Jerry. I've known her since Jan of 2018 and quickly developed a close friendship with her. We've talked for several hours when we needed each other in both good times and bad, and just helped each other a lot. One thing's for sure, she was definitely someone I'll never forget. She made me laugh, always enjoyed my Elvis shows, loved riding in my limousines, and fellowship. I will truly cherish those memories we had together and will carry them in my heart the rest of my days. She was a true friend and gift from God. Rest easy sweetheart!
