

## Glen Scott Talbott

June 29, 1951 - September 13, 2018

It is with great sadness that the family of Glen Scott Talbott, age 67, of Manito, announces his passing on September 13, 2018 at 1:24 AM at UnityPoint Health Methodist in Peoria.

Scott was born on June 29, 1951 in Pekin to Gnile and Marjorie Smith Talbott. He is survived by his mother; sister, Connie (Roger) Warner; niece, Carrie Warner; nephew, Scott (Mandi) Warner; great nieces, Ava and Mia Warner, all of Manito; longtime companion, Donna Williams of Pekin; and their “doggie doos” Toby and Tiggy.

He was preceded in death by his father.

Scott was a graduate of Forman Community High School and Illinois Central College. He was a lifelong farmer in the Manito area and was part of Talbott’s Produce since its inception.

In his spare time, Scott enjoyed modifying trucks, rims, listening to his extensive music collection, spending time with family and friends, and quoting Seinfeld episodes. He touched many lives by his giving nature and selfless acts.

In Scott’s honor today, be kind and help someone who is struggling. Most of

all, laugh and make the most of every single minute life gives you, just as he did.

Private services will be held and burial will take place at Meadow Lawn Cemetery.

Memorials in honor of Scott may be made to Illinois Cancer Care or Mason County Pets Without Parents.

Maas-Hurley Funeral Home in Manito is assisting family with arrangements. Online condolences may be left at [www.hurleyfh.com](http://www.hurleyfh.com).

“ *Scott was my best friend throughout grade school, high school, and college. My main reason to return to Manito was to try to see Scott. Marge gives me credit for making him like dirt, which is important for a farmer. We did a lot of stupid things that I won't go in to, but we also had lots of great laughs. I will miss you Scott.*

*I met this wonderful man at the UnityPoint radiation facility. Scott and I had some great conversations while I waited for my dad's radiation treatment every day. His obituary couldn't have been more true. He helped me through a tough time and always managed to make me smile. Scott truly cared about others. I will miss that friend I made that day...rest in peace Scott.*

“ Donna there's our favorite customer 'The Grass Man'. He always wants to know what Grass we have. The Grass Man kept returning for more Grass that summer. One such visit Donna walks out to wait on The Grass Man. The laughter fills the air as if a lightening bolt had struck... and now you know the rest of the story.

“ *This is with a heavy heart  
I'd like to send thoughts and prayers to Scott's family  
we are so glad we got to talk to him a few weeks ago  
he was telling us about the Battle he had to fight...  
but still had his great sense of humor and gave us many laughs!  
I enjoyed his visits at the barbershop ...yes he did get haircuts... his  
hair was his "signature look" I have to share this with Marge...he  
talked of you highly...  
when Gnile was alive, it was a standing joke in the barbershop that  
he would pay me \$20 to accidentally cut Scott's hair shorter..we  
laughed about that many times!!  
It will always be a special memory.  
love to the family ...  
I WILL. Live Laugh and Love in Scott's honor  
RIP our dear friend...*

“ God blessed me with the opportunity to be Scott's massage therapist. Although he would have preferred not to need my services, he became one of my best friends along the way. And because of it, he helped me fulfill a life long dream to breed and race horses. (He loved rims like I love horses.) I will cherish the hundreds of stories that he shared with me, from the one's of his inbred deers with funny noses, to his ones of his dear Tiggy and the fast tongued Toby.

*Four things that I know to be true of this great man*

- 1) He loved his mom
- 2) He loved his dogs
- 3) He loved Donna
- 4) He loved his trucks

*I love and miss you, my friend.*

*It saddens me to hear of Scott's passing. I remember when our dog went missing while we were up in WI. It had been over 10 days since she went missing. I was going around town putting up posters when I ran into Connie up at the bank. She saw the poster, and said I should go out by the stand because there was a strange looking dog hanging around out there. I had driven by the stand so many times. Marge was there when I stopped and I told her what Connie had told me. As soon as Whitney heard my voice she came running from around the side of the little house and jumped right into the car. Marge told me that Scott had been feeding her and looking after her. It meant the world to us to find her alive. My son, Nathan also worked summers selling corn and other produce for Scott. He got a lot of good experience from working there. Scott and I were also classmates. He was always smiling and telling jokes. I know he will be deeply missed by all. Jan Herrman Anderson*

*Scott , at one time, lived across the street from my grandma,Elizabeth Mason. He would often walk over to chat with her. Although, most of the time it was to get his rottweiler, Axel. He would always apologize, but grandma didn't mind at all. I know grandma enjoyed those visits and seeing Axel too. With sympathy Lynnette (Beal) Hamilton*
