“ *The first day I practiced law in Havana, Glendora was my secretary. She continued uninterrupted until she retired. I was one of the lucky people who had Glendora in my life, almost like a member of my family, for over 2 decades. We continued daily as our families grew up and shared each day stories about life. My condolences to Mary Ann, Steve and Dale.*

“ Prayers to the family. We loved visiting with her and she loved cooking and running around in the car sharing memories with our Dad. Hard to believe that only 6 years ago they were telling us stories about growing up on the farm. Godspeed Glendora. Say hello to all our family and we will all be together soon ❤️🙏
