“ I loved this lady with all my heart. I loved Uncle Don also. I will treasure all my memories of their love for each of us, for their family, and for each other. These two people were a role model to everyone. They taught us all as well as their children that there is nothing more important in life than FAMILY, FAITH, AND THE PRECIOUS GIFT OF LIFE ITSELF! GOD BLESS their children thru this time of sorrow! U are in my thoughts and prayers!

“ I don't ever remember NOT knowing Gloria & although my mom always called her by her nickname I just never could for some reason .. I have missed our short visits when we would meet at the Post Office occasionally ( benefits of a small town) , she always somehow made me smile & always took time to ask how I was & why I no longer raised produce ...But I have to say when she & Jackie would come to my Produce Stand together during Canteloupe season it was a treat ...They would sometimes come 3-4 times a week and usually had me in stitches before they left ....They would get out & Gloria would always pick the 2 biggest melons ( 2 for \$5 ) & put them in the car right away ...Jackie on the other hand would ponder on spending that much money and Gloria would let her have it for being so cheap ! I Loved when they would stop by ..God Bless you all during this time & remember she is Walking with Jesus now !
