“ She is and always will be a lovely part of my memories. Her smiles lit up the room. Her stories about her and Ron never stopped, making me laugh.

She once said, she played a trick on Ron. She hid behind a chair in the living room with the TV remote control. Ron was watching a program and she would switch the channels on him. As he tried to figure out what was going on, as she tried to hold her giggles. That was Gloria. She was sweet, kind, Intelligent and uplifting. She could easily make you at ease. .

I will miss her dearly. Words aren't enough. Gloria, you are my forever memory.

All my in my ❤️, Lori Fuiten
