“ Sending hugs to Eva. She & Hannah seemed to always be together. When the Methodist church women served meals to C’ville Women’s Club or Cass Co. Historical Society or other, Hannah & Eva always came and helped wash the dishes. They also were the ones who always counted & recorded the number in attendance @ church. And I doubt they ever missed. Oh & Hannah read & read & read. I know the Lord is welcoming her, “Well done, good & faithful servant, Hannah.”

“ Hannah was a very special person as you can ask anyone that knew her. I had the pleasure of calling her my friend. All the years I was at the bank in Chandlerville her and Eva cleaned faithfully and with great care. You could set your clocks by them. Her and Eva were the most trustworthy people you would meet. The bank was blessed to have them all those years. I was on the town board for several years and her and Eva again were amazing in their work and loyalty. It was always funny to hear them go back and forth at each other. They could be found mowing their "back forty" as they called it and took pride in their yard. Hannah on the rider and Eva doing the push mowing. We could all learn a lesson from Hannah and her life and her love for Jesus. I hadn't seen her for several years but have many fond memories to reflect on. Heaven is celebrating today with Hannah's homecoming. I pray for Eva at this time for her loss.
