“ *This was my grandma. She always kept a beautiful yard. When I was younger it was like having free tickets to a small wonderland. Anyways the word "Hi" will never be the same for me because it was the last thing I was able to hear from you. It was a sad hello but only because it was the last one I will hear from you.*

“ *I'm so sorry for your loss, and send my condolences. This is one of the hardest times in a family's life, always know that others care. Most important God cares. He has promised a time when he will "swallow up death forever and he will wipe the tears from all faces." (Isaiah 25:8) Praying for your family, and praying you will find comfort in this promise.*
