“ I “knew” Herm for over fifty years. First, as the husband of a coworker of my mother, and later, both/also as a coworker of my father. I knew Herm as a kind, generous and helpful person always willing and eager to assist others. I miss him and am certain he is missed by many others.

“ Herman was very good to me. He helped me and taught me very well how to do pest control at Sentinel. I was a teenager when I started there and retired after 40 years. Sympathy to his wife. -

“ Mr. Antonini always brightened my days when visiting my mom at Lewis Memorial. He would help me speak better Italian and was always kind with a sense of humor. He and his wife sat at a table in the dining room close to my mom so we would all greet each other, chat, and end with ciao. Wishing family and friends: sincere and heartfelt sympathy; a rainbow after the rain; peace; and cherished memories. Mary von Liski
