“ *My heartfelt sympathies to the Arvidson family for your loss. I have so many wonderful memories of times with the family over the years including trips to Michigan & Mackinaw Island, visits to Peoria, Pekin, and Springfield. I remember your parents taking Val & I to Girl Scout Camp, Camp WaHaNaHa, I remember staying with you during an ice storm when you lived on Hamilton drive and we had no electricity so your Dad cooked hot dogs on an old gas stove in the basement. How your Dad always called me Pamela (in a funny way, I can hear him saying it to this day) and how your Mom made the best ham sandwiches! Funny the things you remember! Most importantly though I remember how your Mom & Dad always made me feel like a member of the family, like another daughter! You Mom was a wonderful person and a great mother, she will sorely be missed! I want you to know that you are in my thoughts and prayers during this difficult time.*

Love, Pam

As a former neighbor of the Arvidsons, while they were in Champaign, and though we were all children at the time, my memories of Dusty are of a kind, generous, and positive person, always for open for a good laugh!
