“ *To Tammy, Steve, Hiram, Roger, and the extended family, We were very sorry to hear of your father's passing . Your parents were so kind and I have many fond memories of our parents. I remember as a a kid going to your parent's house for a fish fry. There was also fried turtle. I thought it was chicken. It was delicious. Your father will be missed. You all are in our thoughts and prayers.*

“ Our family was friends with Louie, Sally & the kids for many years when our dads worked at Caterpillar- I have fond memories of all of us getting together working on projects- butchering a pig or steer or building the lean-to on our barn - Louie was one of the good guys! Our deepest sympathies to your family.
