“ Jackie and I shared a lot of time and memories during the two years I lived in Havana in 1948-1950. We both worked at the two theaters. And, of course, being cousins we kept in touch all our lives. Sorry Randy and Brad that I am not able to make the trip for her funeral

“ *Jackie was unconditional love. When I was a young girl and then a young woman she always made me feel loved and special, she was a mom who loved me and she could light up my day. As an adult our relationship grew stronger as she continued to be a mom to me but also became a wonderful friend and confidante. Jackie loved you just the way you were, and she made sure you felt it. Her passing has left a little less love in all our lives, my heart misses her. So sorry for your loss Randy and Brad, she loved you both fiercely. - Tanis MacKay-Bell*
