“ *Amanda. I am very sorry for the loss of your mother I have a lot of great memories of us as we were growing up. Jackie was always full of smiles that truly told who she was deep in her heart. I am sorry for the loss / connection that happened over the last few years but that does not mean I never thought about her. She will be a cousin that I will never forget. May Jackie rest in peace now for the chance she never had before.*
