“ *Dale and family, your have our families deepest sympathy. Jane was such a lively bright sunshiny soul. From meeting you both through Jake visiting your booth multiple times a day at the Illinois State Fair, to working with you as a vendor at the state FFA convention, and you purchasing my Dad's Case IH toy collection, we have a lot of fond family memories. Sending you our love, Tammy, Troy, Miranda, and of course, Jake Yard.*

“ *Im going to miss you so much!! I will never forget driving through Oakford in 2002 and seeing you and Dale's toy store. Being the farm toy collector that I am, I had to stop in! Little did I know that stop would turn into a relationship with you and Dale, one that made you both feel like grandparents to me. You both then became part of my kids' lives. You had a heart larger than life and everyone that ever met you were surely blessed to have met you! I wish I had the chance to tell you good bye, thank you, we love you and will miss you but without saying those things, I know you already knew. Cant wait to see you again someday!*
