“ Janet was a classmate of mine... I remember her as kind, smart and quiet. As I read her obit, I was so happy for her and the wonderful life she had. May God hold you, her loved ones, in the palm of His hand as you grieve your loss and heaven's gain.

“ My deepest sympathy to the all of you in the Harp family. My memories go back to the years, when we were next door country neighbors. Also our connection with the church, we were both involved in at that time. Keeping the Harp children and family in my prayers at this time. May God's peace be with you all.

“ My deepest sympathy to the Harp children and family. Never will forget the years we spent as next door neighbors to Dick and Janet as our children were growing up. Also the many years we spent in church together. Praying for each of you, as I remember Janet and the memories we have had together. May the Peace of God be each of yours at this time. Dot Boyer

“ Where do I even start, as neighbors we have so many memories of spending as much time as we could together. Our childhood was so blessed with good neighbors. Janet was a dear friend and such a sweet lady. She would do anything's big for anyone. Will miss her so much. Prayers to her family.

“ The Barkers were our neighbors while growing up on the farm east of Mason City. We rode the school bus together and Glenn and I were in the same class. The entire family has our sympathy and we wish you comfort, rest and peace.
