“ What a delightful woman, Janet was- time spent sharing music, exchanging ideas during Bible study or sharing in worship- it was always special. She challenged me to be my best version, think outside the box and showed me the joy and sadness's of this world. Fly high, dear one- you are free!

“ My sympathy to Janet's family on the loss of one of their own. In the year 2000, I met Janet through music. We were part of the Prairie Aires music group. She was a kind person with a good sense of humor and a great deal of musical talent. I will always remember her with love. Today in her memory, I wore one of her gifts, a cardinal bird pin, Below are words to one of the songs that she wrote:

MY ILLINOIS

By Janet Schoonover (AJES)

*Chorus: Illinois, my Illinois, I want no other home.
You're the place I want to stay to call my very own.*

*Verse 1: I've walked your ditches, walked your fields.
I've climbed your sandy hills,
even walked on your dusty road
and where e'er your strong wind wills.*

*Verse 2: I've seen your cities, seen your towns,
lived in your village small,
Illinois, you're the only place
where I want to live at all.*

*Verse 3: There's green grass growing,
green leaves blowing in your open fields.
Winters hard with your prairie wind
but we need what summer yields.*

“ I have known Janet for over 30 years. she was a great friend and wonderful musician, and, being a teacher, she taught us a lot. She composed the words and music to many beautiful songs through out the years, and she played a mean hammered dulcimer! When you go to New Salem, listen for her playing because she loved to set on Hill's porch and entertain the visitor's. Keep on playing, sister, & we will be listening for those beautiful melodies.
