“ We've been neighbors with Jan & Bob since '09 and Janette made it easy for us to become friends! She helped me learn how to fold capaletti the "right" way, showed me the secret to drying out noodles and more importantly - Janette would do anything she could to help us and was always there to help. We've missed her every day and that will never change. Rest in God's care Janette, we'll do our best to look after Bob for you❤️
