“ *Marilyn when I think of your mother I remember one day when I came into the store and she said I can't sell you anything. I thought something was wrong with my check. No, she explained why- whatever I bought my daughter in-laws would bring it back and return them even a pair of socks. Jeanette told me to give money and they could buy what they wanted. So from that time on and even now, money is what they get. She will be missed.*

“ Watching Aunt Janette smoking a Pall Mall, drinking a ig bottle of coke, ironing in front of the TV in the living room watching a baseball game. I use to spend the summers with all the kids at the swimming pool in Havana and sharing a bedroom with Marilyn since she was the only one with her own bedroom. I think she was a Dodger fan at the time and the Dodgers we located on the East Coast. Last time I saw the whole family was for Nana's funeral. Earla and I are thinking of all of you. If you do a group picture, Marilyn please send it so I can show mother. You will have to tell me all the names and who they belong to. I would have no idea of all the grandkids and maybe great grandkids at this point. Love to you all - times like this it is a blessing to have a large family.

“ *M;y thoughts and prayers are with the Long Family during this difficult time. She was a very special person and I feel blessed to call her family. I will always remember her standing along the wall down by the boys locker room during the basketball games. She would make her presence know from time to time when the officials made a call she did not like.*
