“ A memory of long ago.. Margaret was in need of a car to borrow for awhile. It was a big old Buick. The vinyl roof was torn an ratty looking. In other words it was UGLY! Jason was in fifth grade I think at the time. Every morning he made his mom drop him off a few blocks away because he was soo embarrassed! And my funny HALLOO! ( hello) always made us both laugh. I don't laugh today.. Our HALLOO became goodbye. Love you ❤️😭
