“ I first met Jeanne when we were both freshman at Ursuline academy and we have been fast friends for many years. She was funny and smart and could do so many different things and was not afraid to tackle anything. I learned so very much from her and the way she just took life on and I will miss her immensely. Of all the things I loved about her perhaps one of the things I love the most is the fact that she just accepted things and people as they were and never judged. My love and sympathy to John, Jennifer, Janelle, Wyatt and Patty. Susy Kauling Woods
