“ Uncle Jeff, our last conversation started off with you looking at me shaking your head and telling me you didn’t feel well enough to talk — I knew better than that but informed you it was ok - I’d do all the talking! And you could just listen 🥰!! it wasn’t long, you and I were having a conversation and your tiredness slowly went away. By the end of the 2-3 hours you told me you were hungry so I gave you the piece of cake you had stashed in the fridge and we said our goodbyes . I didn’t think at the time it would be our last. I miss you, Unk- give ‘em hell up there - 🍺
