“ I truly liked Jeff. He was a good friend to my boy Jeremiah "Gimp" Gilbert. He did some awesome work in my home for me. He trusted me to take care of his dog Chloe when she was carrying Bentley's puppies. He welcomed me into his home and always had a smile for me. I have always considered him my friend. You will be missed my friend!

“ Jeff framed my parent's house in the winter of 22/23. I worked along side him pretty much the whole time. He had patience with all of my questions and taught me a lot about the building process. One thing he told me that will stick with me forever is "it's not a perfect world". He noticed I was a perfectionist and to this day I often repeat that quote in my head when I find myself stuck on the small details in life. I was looking forward to working with him again on an upcoming build later this year. He will be greatly missed!
