“ *The last time I saw Jeremy was a couple months ago or so, when I drove him to get a battery for his truck. I had on Hair Nation on SiriusXM playing, can't remember the song, but he goes "Ohh, I like this song!" and proceeded to turn it up to around ear-bleeding level, and we rocked like 20 year olds again all the way to Walmart. Till we rock again brother.....*

“ *I worked with Jeremy for about 10 years at the A.C Company everyday. He was definitely a good spirited man and work friend. I asked him a few years ago " Let's Go Skydiving ". So we did and when we landed I looked at him and he had a "deer in the headlight look" then he gave a big smile. He is definitely one of those people that come along in your life that you will never forget. R.I.P my friend*

“ My heart breaks for Jeremy’s family. I love him like a brother and he will be greatly missed. I will never forget when he told me there was a water fountain at the top of Camelback Mountain. I was so thirsty, I believed him. God bless!

“ *The Callaway family is in our prayers. It is tough losing someone so young. Faith in God's plan is the only way to make sense of any of it. Our hearts are with you. The memory that sticks with me most is sliding down the stairs on my belly with Jeremy, Jason, and Josh at my mom's townhouse in Springfield. All I can remember is my side aching from laughing so hard. We will all be together one day. We have to believe that!*
