“ *I went to NCHS with Jerry double dated on Prom night and other times. WE changed the rear axle in my 59 Chevy one night, started about 10 pm an ended about 3 am on a school night. Had a great time. Like many others, we drifted apart through the years, I drove down to see him a few years ago, had a good time talking about the good old days, always wanted to get back but work always interfered. I will always be grateful having known him. My sincere condolences to family and friends . Roger Martin*

“ Adcock family, You have my Deepest Sympathy & Condolences. Sorry to see that Jerry has passed away. I knew Jerry since we both worked at Firestone. Jerry always was friendly and seemed happy. Don't believe I ever saw him in long slacks - always wore shorts. Even in wintertime!! Regards, Harlan Orns
