May 6, 1973 - May 24, 2026

Joel E Moore 53, of Manito, entered the gates of heaven on Sunday, May 24th. He is the first born son of John & Julie (Keith) Moore. He married his beautiful bride, Stacey, who stayed by his side and provided exceptional care for him. They were married on June 4, 2010, in St. Louis, Missouri. Two amazing kiddos, Tyler (Amber) Moore and Reagan Osborn, left to carry on how they were raised. He was the best role model to his siblings: Jenny (Dan) Kraft, Josh (Kayla) Moore, in law siblings: Heather (Justin) DeTrempe, Jesse DeTrempe. He was a terrific Uncle Uncle Uncle to his 7 nieces (Ashlee, Katie, Remi, Maddy, Jodan, Zaybree, Sadie) and 1 nephew (Dexter). His 3 granddogs: Bucky, Dreamer, and Dean. He showed extreme love & compassion while helping others, and never met a stranger! He chose to specialize in psychiatric nursing, working at the VA and Carle Health. He loved the St. Louis Cardinals and The Peanuts Gang. He enjoyed playing softball on different teams and bowling with Tyler. He enjoyed helping with The Penguin Project with Reagan. He fought his Oral Cancer with courage, braveness, and a positive attitude, until his body could take no more. Instead of flowers or plants, please make Memorial Donations to: The Penguin Project, 306 West Morningside Drive, Peoria, IL 61614. Visitation will be held Friday, May 29th at Maas-Hurley Funeral Home in Manito from 5-7pm. Celebration of life will be held at a future date.

“ I'm so sorry for your loss, and I hope you find peace, strength, and comfort in the days ahead. I didn't know your father or husband personally, but from everything I've read and heard about him, it's clear he was part of something truly good. His presence made a difference, and without him, he will be greatly missed. When we lose a father, we don't lose the love, the lessons, or the parts of ourselves shaped by him. Those pieces stay with us. In the way we think, the way we love, the way we face the world—he continues to live on through us. For his two children, he lives on even more deeply: in the way he taught you to be kind, in the strength he helped you grow, and in the memories only you carry. A father's love doesn't fade—it becomes part of who you are, forever.

“ Joel was a dear friend whom I met at the Penguin Project. It was Joel who brought up that nursing would be a great field to go into and advocate for the disabled population in. We spoke many times backstage at shows about my nursing career. I had the absolute honor of taking care of Joel during his cancer journey and during his last few months. He has forever influenced my life and I couldn't be happier to call him a friend.

“ It was an honor to work with Joel. No person more caring, compassionate, and empathetic. Joel was the epitome of someone who would take a non-judgement approach and love unconditionally. We lost a very special human being in order for heaven to gain an extraordinary angel.
