“ So sorry for your loss Linda. So many memories of fun times with our parent's card club, making apple butter in the back yard, vacationing in MN, trips to Oswego, watching Gunsmike every Saturday night at her house, and her first prom dress! Loved her laugh!

“ Linda, we are so sorry to read about the death of your dear friend, JoEllen. Larry remembers when his parents and JoEllen's parents were in a card club together. They would have a potluck at the park and all the kids would play together. Even though JoEllen was a few years older, he has fond memories of the fun times they had together.

May our loving Father hold you close during this sad time.

“ Jo Ellen was always telling or looking for a new joke. She always bought lots of GirlScout cookies so my daughter could go to camp. I loved that what you saw was what you got from her! One of a kind.

“ Larry remembers cookouts with the card club at the park. Their parents played pinochle together. JoEllen and the kids always had a good time together.
