“ John Michaels was an awesome person. He had a work ethic that set a very high standard. He never told a person in need no. He helped my family out of some chilly situations on a few occasions. It was an honor to have met this man. He will be missed by all whose lives he touched. My family was bless to know him.

“ John was a very nice man. He came to our home one time I tell you it was the coldest night we had had all winter and it was snowing and he came and fixed our furnace. I believe it was a Christmas time and Mike was with him. He will be missed.
