“ *Jolene and Vince were two sweet people. They would walk by pulling the boys in their wagon and always stopped to talk. Jolene always had a smile on her face, and was such a loving mother. Both she and Vince were terrific parents and they both will be missed by a lot of people!!*

“ *My memory of Jolene is her smile. When she walked in a room her smile brightened up the room and to watch her with her two boys and see the love and the enjoyment for her being a mom. My heart aches for the two families and most of all Sawyer and River. God gained two very special people. And every day the sun shines they both are watching and smiling and protecting their two babies. They will both be missed dearly. Soar high Jolene And Vince.*
