“ *Jo's passing was a loss to many more than you probably realize. I go to Walker's to entertain every now and then. She was always the bright spot in the group. She kept up on the news, remembered what had recently happened, and loved to answer my music trivia questions. I saw her out for lunch with someone in Chandlerville back in January or Feb. I was so surprised she knew me--out of the usual surroundings. She was such a sweet spirit. God bless you with His peace. Judy Fulton*

“ *Jo will be missed. She led Juniors when I was involved. Always said I was one of her girls. She was a wonderful lady! May she rest in peace.*
