“ *I just learned that Judy had passed. This left me with a heavy heart and so many memories came flooding back. We were neighbors and friends in the country and rode the bus together. I shared many meals at her parents home and we had a mutual friend at whose home we once had a party and sleepover. Those were fun times and we were in our teens. After I moved, I did not see her again until*

Rev. Hicke's visitation. How sad that we reunite with family and friends most often at funerals. I just want you all to know how very sorry I am to hear this and I still love all of you! I know Judy will be missed. Love and prayers for all! Wanda Baumgardner

“ I am so sorry and very sad to hear this, did not know Judy was ill. She & I go way back as friends & neighbors, growing up east of Vermont, IL and riding the school bus together. She & I even had a bike wreck riding double one summer, and shared dr bills & some permanent scars from it! I am just so sorry we had not kept in touch for quite awhile. My sincerest condolences and prayers of comfort for all of Judy's family. I know she will be deeply missed.
