“ *I have wonderful memories of Karen and I taking our children, Kristen and Joe trick or treating during Halloween. They lived right across the street and the kids were like brother and sister. We walked from neighbor to neighbor while the kids rode along in the wagon, laughing and enjoying the moment. It was a fun, wonderful time as we loved watching the kids run up to the houses & then they'd sit with all their candy just gorging themselves. So truly sorry for your loss Kristen and family. Prayers and hugs & memories of happy memories.*
