“ I worked with Kak for 16 years at State Bank and remember her as a very happy person, always smiling and upbeat. She always spoke about "Skaggsie" and had a smile and light in her eyes. She worked with Ethel Dempsey for many years and they were both special ladies. You have our condolences, I know she will be missed! Steve and Kay Moehring

“ I am sorry your loss. I know what it means to lose a loved one. I did not know Kathleen as well as my sister, Rosie did; but I did know her and knew her to have an upbeat personality and be a lot of fun to be around. That is important in our day to day existence and Kathleen knew how to laugh well and get others to do the same.

Love,
